SPONSOR THE CLEAN FUELS SUMMIT

Increase your visibility and meet prospective project collaborators in Louisiana at the state's premier alternative fuels conference and expo, the 2023 Clean Fuels Summit! Co-hosted by two Clean Cities coalitions – Louisiana Clean Fuels and the Southeast Louisiana Clean Fuel Partnership, the Clean Fuels Summit offers an exclusive indoor exhibit hall, updates on the latest innovative clean fleet technologies and products, and recognition of innovative leaders in the alternative fuel industry.

Whether your focus is alternative fuel infrastructure, vehicles, vehicle conversions, fuel supply, or equipment manufacturing, come prepared to celebrate our state's extensive progress toward clean transportation. Please consider this exciting invitation for you and your team to present to our state's top decision makers and influencers. SLCFP and LCF welcome your participation as a Clean Fuels Summit sponsor or exhibitor in April 2023!

There's no better time to showcase your alternative fuel vehicles and fuel-saving technologies in the Gulf South's fast-growing alternative fuels market and connect with fleet managers interested in cleaner transportation!

THE VENUE

The convention center offers more than 200,000 square feet of space to be used for hosting sporting events, conventions, meetings, conferences and tradeshows to name a few. Located within our walkable downtown district, the convention center is only steps away from luxurious hotels like Hilton Baton Rouge Capital Center, which is the official hotel of the Summit.

Don't miss this exciting opportunity to come face-to-face with key decision makers and influencers who play a pivotal role in fleet purchases in Louisiana. As a Clean Fuels Summit Sponsor or Exhibitor, your participation will contribute to the continued growth of cleaner transportation resources for experienced and new clean fleet professionals alike. The following pages provide information and benefits for each level of engagement.
